### EFFECTIVE AND EXPIRATION DATES

Coverage becomes effective the later of: the Master Policy Effective Date; or 12:01A.M. following the date the envelope containing the enrollment form and premium payment is postmarked by the U.S. Postal Service; or for online enrollment 12:01A.M. following the date the proper premium is received by the Plan Administrator. Interscholastic sports coverage expires on the last day of the authorized season of the current school year. School-Time and Full-Time coverage expires on the first day of school next year.

The policy contains a provision limiting coverage to the usual and customary charges. This limitation may result in additional out-of-pocket expenses for the insured.
MEDICAL BENEFITS (What the Insurance Plan Pays) - When injury covered by the policy results in treatment by a Licensed Physician within 60 days from the date of accident, the Company will pay the Usual and Customary Charges (U&C) incurred for covered services as listed below, for charges actually incurred within one year from the date of injury up to the specified Maximum Medical Benefit of $50,000 per injury. (In MT and NC, benefits are payable after the deductible per injury is satisfied, the deductible is the amount paid or payable for the same injury by Other Valid Coverage).

This policy will pay benefits regardless of Other Valid Coverage if the covered claim expense is less than $200. If the covered claim expense exceeds $200, benefits shall be paid first by Other Valid Coverage. (This coverage is excess in KS, and this coverage is primary in MT and NC after the deductible, and in ID, IL, SD)

2. Injuries for which benefits are paid under Workers’ Compensation or Employer’s Liability Laws. (In NC, benefits are excluded if the employee, employer, or carrier is responsible or liable according to final adjudication or settlement order under state law)
3. Any Injury involving a two or three-wheeled motor vehicle or snowmobile or any motorized or engine driven vehicle not designed primarily for use on public streets and highways, unless the insured is participating in an activity sponsored by the Policyholder. (In ID, Insured must be participating as a professional)
4. The practice or play of interscholastic sports including travel to or from such activity, practice, or play for students in grades 7-12, unless such premium is paid.
5. In Kansas - No benefits are payable for accidental bodily injuries arising out of a motor vehicle accident to the extent such benefits are payable under any medical expense payment provision (by whatever terminology used including such benefits mandated by law) of any automobile policy.
6. In Ohio - Re-injury if the insured participated in a covered activity against medical advice.

IT IS NOT THE INTENT OF THE POLICY TO PROVIDE BENEFITS FOR AN EXISTING MEDICAL PROBLEM.
A re-injury will not be covered if the insured has received treatment within a period of 180 days prior to the effective date of the policy. (In OH, this provision does not apply)
WHY SHOULD MY STUDENT BE COVERED BY THIS INSURANCE?
As a service to its students, your school is offering an opportunity to enroll in a student accident insurance plan administered by Student Assurance Services, Inc. Participation in this plan is voluntary. This brochure describes several coverage and premium options. Please review the entire brochure before making a decision to purchase this insurance or contact us directly with your questions.

WHY IS THE SCHOOL PARTICIPATING IN THIS OFFERING?
Students are particularly susceptible to accidental injury. This plan will help provide coverage for expenses that are not covered by your family medical or dental coverage.

WHAT KIND OF INSURANCE IS THIS?
This is accidental bodily injury insurance; it covers accidental bodily injury occurring while the coverage is in force. Medical illnesses such as ear infections or sore throats are not covered.

WHO SHOULD CONSIDER BUYING THIS INSURANCE?
1. All families with no other health coverage.
2. Families with other medical or dental coverage having deductibles, copays or coinsurance. Our policy applies benefits toward your other health coverage out-of-pocket expenses. (This coverage is primary in MT and NC after the deductible, and in ID, IL, SD)

HOW TO FILE A CLAIM
1. Notify the school and obtain a claim form immediately. The school will fill out Part A of the claim form if it’s a school injury.
2. Parents complete Part B of the claim form. Answer all questions.
3. Submit copies of the student’s itemized bills to the student’s family medical and dental coverage first, even if there is a large deductible. The other insurance plan will send a report called an Explanation of Benefits (EOB). This plan is supplemental to all other valid coverage. The claim must be filed with the other coverage first! (Coverage is excess in KS, primary in MT and NC after the deductible, and in ID, IL, SD) This Plan DOES NOT cover penalties imposed for failure to use providers preferred or designated by the primary coverage. (In KS, penalty does not apply)
4. Send the completed claim form, copies of student’s itemized bills and EOB to:
   STUDENT ASSURANCE SERVICES, INC.
   PO BOX 196 • STILLWATER, MN   55082
5. No claim can be completed until all of the above documents have been provided.

NOTE: Student must be treated by a Licensed Physician within 60 days of the date of the injury. Proof of claim should be submitted within 90 days from the date of treatment or reasonable time thereafter not to exceed one year. The policy is responsible only for expenses incurred within one year. (In NC, itemized bills must be submitted within 180 days from the date of treatment, not to exceed one year)

This provides a very brief description of some of the important features of the insurance policy. It is not the insurance policy and does not represent it. A full explanation of benefits, exceptions and limitations is contained in the Group Accident Insurance Policy Form GA-2200Ed.11-16 (and any state specific), and any applicable endorsement(s). This policy is considered term accident insurance (except in ID) and is non-renewable. This product may not be available in all states and is subject to individual state regulations. The Master Policy is issued to the School District/School. A copy of the Privacy Notice and Certificate of Coverage (where applicable) may be obtained on the website www.sas-mn.com.
